Title: Executive Director

ASSIGNMENT

We, Rodney B. Croteau of Pullman, Washington, Stefan Jennewein of Alfdorf, Germany, and Robert Long of Pullman, Washington (collectively, Assignors), have invented a certain invention entitled P450 OXYGENASES AND METHODS OF USE for which the following patent applications have been filed:

U.S. Provisional Patent Application No. 60/489,597, filed on July 22, 2003;
International Application No. PCT/US2004/023656, filed on July 21, 2004; and
U.S. Application No. 10/565,233, filed on January 18, 2006;

all of which applications are collectively referred to herein as "the patent applications."

WHEREAS, Washington State University Research Foundation, a corporation organized under the laws of the State of Washington, having a place of business at 1610 NE Eastgate Boulevard, Pullman, Washington 99163, desires to acquire an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we, Rodney B. Croteau, Stefan Jennewein and Robert Long, hereby sell, assign and transfer to Washington State University Research Foundation, the full and exclusive right, title and interest in and to said invention, patent applications and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, applications and letters patent in this or any foreign country, and all divisions, continuations, reissues and extensions thereof, to be held and enjoyed by Washington State University Research Foundation, for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted in this or any foreign country, as fully and entirely as the same would have been held by us had this assignment and sale not been made, and covenant that we have full right so to do, and agree that we will communicate to Washington State University Research Foundation, or its successors and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and do everything possible to aid Washington State University Research Foundation, its successors and assigns to obtain and enforce proper patent protection for said invention in this or any foreign country.

We hereby grant the law firm of Klarquist Sparkman, LLP, the power to insert on this Assignment any further information which may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.
